Presents  
**THE LION '83**

# **Dedication:**

## **The Events of 1982-1983**

History is captured in moments. Those histories that are the most important are reflected in the special memories that can only be expressed in one's thoughts. Such is the history created by Gilbert Hall, the stately lady. The lives touched by the many moments in her life span are recorded in her own, special history. From the ruins of Gilbert Hall emerges her unnamed successor. May she begin to create her own memories.

## In Memoriam

Frank Zgarba began his student life at E.M.J.C. in the fall of 1980 and remained a student here until the end of the spring semester of 1982. Less than six weeks after the close of the 1981-1982 academic year, Frank met an untimely death. Frank was the son of Reverend and Mrs. Jerry Zgarba of Brooksville, MS.

Samuel Dickerson, of Belzoni, Miss. died in a car accident December 14, 1982. Sammy, as we knew him, was a freshman at E.M.J.C. majoring in Mortuary Science. His death was a tragic one and he will be missed by everyone that knew him.

We would like to thank the following students for their dedication in getting together the 1982-83 Lion yearbook:
